Now more than ever, the children of our communities need a safe and positive environment where they are able to focus on academic success, building good character and citizenship, as well as healthy lifestyles. The Boys & Girls Club of the Bellport Area offers such programs and activities to the youth of Long Island. As the only Boys & Girls Club in Suffolk County, we are asking for the community's support; for your support.

This year's event of the season Beach Ball – The Art of Summer, to benefit the Boys & Girls Club of the Bellport Area, will be held on Saturday, June 22nd from 6:00 – 11:00 pm at the magnificent home of Marna and Fred Varney in Brookhaven Hamlet. **We are proud that 100% of proceeds from this event will ensure that our Club members, ages 5 through 19, will have a safe place to be after school and in the evenings.**

We are writing today to request a donation from you or your business, for our highly anticipated Live and Silent Auctions. All auction items whether fashion, jewelry, home goods, services, or artwork will be spotlighted at the event and featured in our E-Journal this year. Participation exposes you to affluent members of the Bellport and East End communities.

To participate, please complete the attached in-kind donation form and attach it to the items you wish to donate. You may also visit our website www.bgcbellport.org to download the forms. Please allow sufficient time to redeem gift certificates as the auction will not be held until the summer.

We ask that your donated item(s) be received no later than Friday, June 7, 2019. If the item is not used at the Beach Ball event, we reserve the right to use it at another BGC Bellport event.

If you have any questions, please contact Ken Fried, Auction Coordinator, at krf124@gmail.com or 516.220.5757.

We hope we can count on your generous support and we look forward to seeing you at this year's Beach Ball – The Art of Summer.
